

CHOLESTEROL FREE BACON?

With the flavor and aroma of bacon and the advantages of soy protein, BioColor has developed a bacon simile: a natural solution to naturally substitute a non healthy but very flavorful food.

BioColor's soy bits are a healthy nutritious ingredient that contain vegetable soy proteins and the natural smoky flavor of bacon. Try our cholesterol free solution for bacon!

Also ask for our chicken, ham, or shrimp simile.

These are only a few examples of the solutions we can provide. For further details regarding these or other BioColor natural colorants, please contact us or our agent in your country.
